SUMMARY

Detail-oriented Computer Science undergraduate with hands-on experience in front-end development, ReactJS, and modern UI/UX design. Skilled in building responsive, optimized web applications and applying core programming concepts. Strong communicator with excellent problem-solving and design abilities.

EDUCATION

LNCTS, Lakshmi Narain College of Technology & Science, Bhopal

2023-2027

Pursuing B.Tech – Computer Science and Engineering

High School:

10th CBSE board – 90%

12th (PCM) CBSE board – 82.8%

COURSEWORK / SKILLS

Programming Languages: C, Java, Data Structures and Algorithms, OOP

Frontend Technologies: HTML, CSS, JavaScript, ReactJS

Web Development: Responsive Web Design, UI/UX fundamentals

Tools / Other: Git, GitHub, VS Code, npm, Node.js (basics), Chrome DevTools, Figma (basics)

PROJECTS

Portfolio Website | ReactJS | [Source Code](#) | [Live Website](#)

2025

- Built a responsive and modern personal portfolio using React with a clean, component-based architecture.
- Designed an intuitive UI/UX featuring custom styling, smooth navigation with React Router, and reusable project components.
- Optimized performance and layout for all screen sizes while maintaining consistent visual theming.

Password Generator | ReactJS | [Source Code](#) | [Live Website](#)

2025

- Built a secure and responsive **password generator web app** that allows users to create strong passwords with customizable options.
- Implemented **core logic** for randomized character generation, supporting uppercase/lowercase letters, numbers, and special symbols.
- Added **interactive UI controls** for password length adjustment, option toggles, and a **one-click copy to clipboard** feature for convenience.
- Designed a clean, modern **UI/UX** with real-time updates, visual feedback, and smooth transitions using CSS.
- Applied **modular JavaScript practices** and event-driven programming to manage user interactions and generation logic efficiently.

CERTIFICATIONS

- Data Structures and algorithm by Coursera
- JavaScript Essential by Cisco Networking Academy
- Networking Essentials by Cisco Networking Academy

EXTRACURRICULAR ACTIVITIES

- Strong communication skills; winner of multiple debate competitions.
- Fine Arts enthusiast with several certificates in sketching, painting, rangoli, and other art forms.
